

MB200i Ultimate Performance & Mobility

Quick. Durable. Portable.

FAST
Fast and low power consuming CPU offers instantaneous printing

DURABILITY
The poly-carbonate body and modular design affords light weight and toughness

PERFORMANCE
Adopts a high capacity battery cell technology to extend operation time

Light yet extremely durable. Made of polycarbonate materials

Lasting battery operation due to newly adopted battery cell technology

Printing Speed
4 inch/s

"Fastest" mobile printer in the market

W-LAN
IEEE 802.11
Bluetooth

Optional LCD display with 802.11b wireless connectivity
